

MK Gallery

Visitor Access Guide

Here at MK Gallery, we are committed to making our artistic and events programme accessible to all visitors.

This access guide offers details of our building, facilities and services for people with different access needs. We hope it will help you plan your visit.

MK Gallery main entrance in Margaret Powell Square, beside Milton Keynes Theatre.

Information Desk

On arrival you will be greeted by a staff member at our Information Desk in the Foyer. The Information Desk is at a level suitable for use by visitors and staff using a wheelchair.

Our Gallery Assistants are happy to do all they can to support your visit.

Visitors with Limited Mobility

MK Gallery is fully accessible to visitors with limited mobility including wheelchair users.

At the main entrance on Margaret Powell Square, there is level access via automatic sliding doors, leading to a wide foyer giving access to the three main galleries, the Information Desk and small Shop.

The first floor Video Space can be accessed by the lift.

Door openings in the gallery are over two metres wide, but are sometimes modified when blackout conditions are needed for film or new media displays. In these circumstances our Gallery Assistants can offer access assistance as required.

Our Project Space building is opposite the main galleries, and is used for exhibitions, events and talks. The Project Space Exhibition Space and Events Space have a level access entrances. The first floor Meeting Space can be accessed via the back-of-house lift, with assistance from our Gallery Assistant team.

visitors with visual Impairment

We provide large print copies of our exhibition guides at the Information Desk. Alternatively they can be posted to you in advance by telephoning 01908 676 900. An audio-described exhibition tour occurs during each exhibition. Visit our website for the date of the next tour.

visitors with Hearing Impairment

We can provide a Portable Induction Loop System and Access Audio System for on and offsite workshops, panel discussions, exhibition tours and community engagement projects. Please inform the Information Desk if you require the induction loop when making your booking. BSL interpretation of events, talks and film screenings can be arranged upon request.

Guide and Hearing Dogs

Guide dogs and hearing dogs are welcome at MK Gallery.

If you wish to bring your dog with you to a ticketed talk or event, please let us know when booking so that we can reserve an aisle seat for you. Alternatively a member of staff will care for your dog during the event. We can also provide drinking water for your dog.

Toilet Facilities

On the ground floor, to the left of the main entrance, there are male and female toilets and an adapted toilet including a standard baby change facility.

On the first floor, there is one adapted and one unisex toilet outside the Events Room, accessible by lift.

Public Seating

Public seating in the galleries varies depending on the display or installation requirements and cannot always be guaranteed.

If you need seating, one of our Gallery Assistants will be happy to supply a light-weight folding chair or stool upon request.

Parking

If you have an orange or blue badge you can park free of charge in nearby 'Pay and Display' spaces.

Parking bays (seven spaces) for people with disabilities are also available at the entrance to Margaret Powell Square outside the Gallery, serving both theatre and gallery visitors.
