

I am going to Under the Apple Tree at MK Gallery!

On Friday 22 August, I am going to an event at MK Gallery.

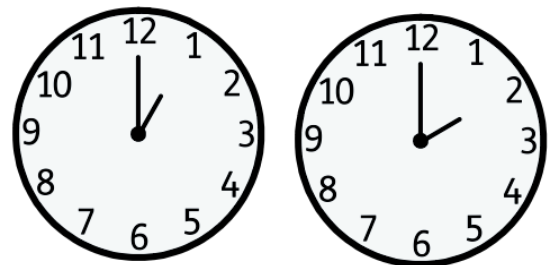

This is MK Gallery.

The event I am going to is called Under the Apple Tree!

My grown up will tell me if I am going to the session which starts at 1pm or the session that starts at 2pm.

When I arrive, I will need to go to the Event Space, which is opposite the main orange Gallery building.

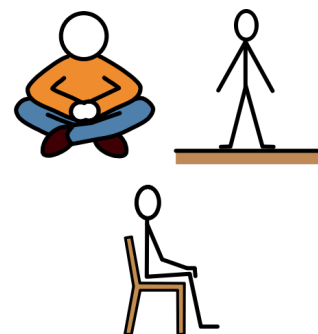

This is the Event Space.

Rosie from MK Gallery will be there to welcome me. I will need to show her my ticket.

This is Rosie.

Once I am inside I can find a place I'd like to be. I might like to sit down on the floor, sit on a chair, or stand!

I can be in the space however I am most comfortable.

Under the Apple Tree is a storytelling event and creative workshop.

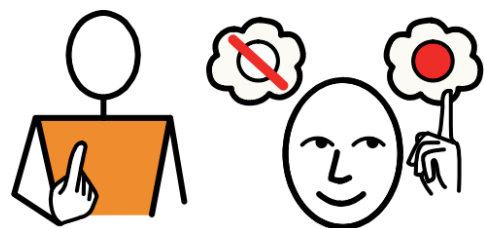

I can meet The Green Man! If I wake him from his snooze, he might tell me a story...

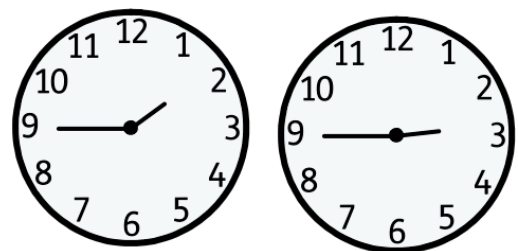

If I'd like, I can also make my own juicy apple for the apple tree.

It is my choice how I take part in this event.

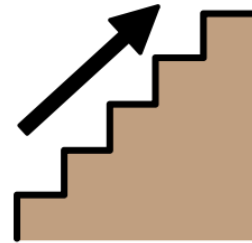

My session will last 45 minutes.
My grown up will tell me if I am in the session that finishes at 1:45pm or 2:45pm.

If I need the toilet while I am in the Event Space, I can use the ones at the top of the stairs.

There is also a Changing Places toilet if I'd like to use this. A member of MK Gallery staff can show me the way there.

There will be a comfy chill out area in the Event Space too if I'd like to use it.

At the end of the event, everyone will leave the Event Space.
