

# **I am going to visit the Our Studio Spring Showcase!**

Today, I am going to MK Gallery to visit the Our Studio Spring Showcase. This is MK Gallery.

When I arrive, I will need to go to the Event Space.

Then, either a member of MK Gallery staff or an MK Gallery volunteer will let me into the space.

It is free to visit the Spring Showcase, so I don't need a ticket, or to pay for my entry.

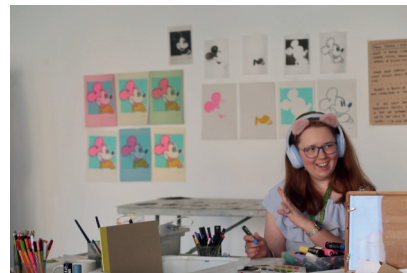

# MK Gallery

Once I am inside, there will be lots of artwork to explore!

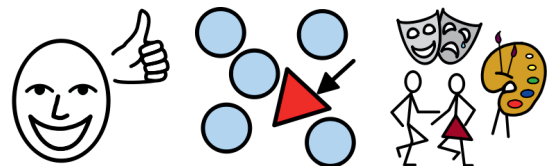

All of the artwork has been made by young people who go to MK Gallery's Our Studio programme.

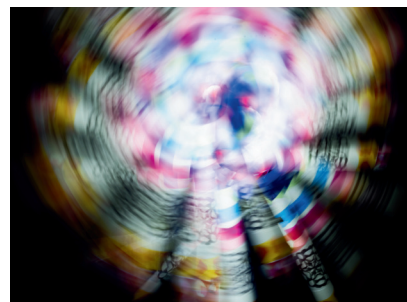

Some of the artwork has been made by individuals, and other pieces were made as a group.

The young people at Our Studio enjoy making art in lots of different ways!

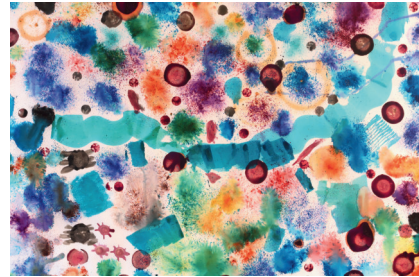

I will see some photography.

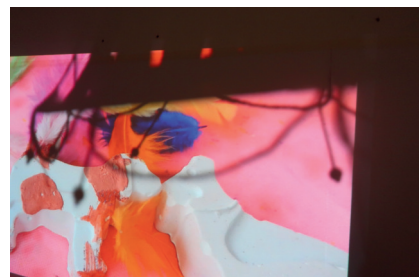

# Gallery

I will see some paintings.

I will see some animations and digital artwork.

I will see some big sculptures!

There will be information to read, and photographs from Our Studio workshops for me to see too.

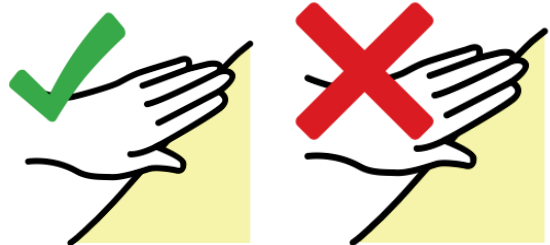

If I feel inspired by the artwork I see, there will be materials I can use to make my own art!

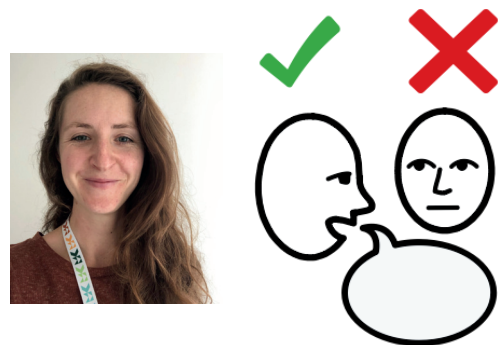

There will be clear signs in the space to show me the things I can, and cannot touch.

If I am visiting on Wednesday 8<sup>th</sup> or Thursday 9<sup>th</sup> April, there might be some young artists from Our Studio working in the Event Space.

The MK Gallery staff in the space will let me know if it's okay for me to see what they are making, or to have a chat with them.

I can stay as long as I would like at the Our Studio Spring Showcase. It will be open from 10am-5pm.
